

PHARMACEUTICALS

BACKGROUND 2008

## Company Information

---

CSC Pharmaceuticals is a multinational oriented group operating regionally, mainly in Central & Eastern Europe, focusing to provide better health to more people by meeting the emerging needs of hospital, Rx and OTC markets.

In those regards, our goals reflect the

- ◆ medical
- ◆ regulatory
- ◆ marketing
- ◆ logistics
- ◆ development
- ◆ acquisition

of innovative, preferentially niche-oriented products that fit strategically with our current product portfolio in order to assure consistent growth in our territories and pave the way to the future.

## Our focus

---

We are primarily working in the sale of drug and medical products.

The products are obtained directly by the manufacturer and sold under license in Austria and on the east European markets.

Some products, such as the Tantum<sup>®</sup> line, are produced in pay production for CSC.

The CSC companies, representative offices as well as partner companies are responsible for the support of the markets of the CSC territory in the different countries.

Our product range includes the following categories:

- ◆ NSAID's and Rheumatologies
- ◆ Cardiovasculars
- ◆ Dermatologicals
- ◆ Diabetologicals
- ◆ Gynecologicals
- ◆ Oncologicals
- ◆ Pneumologicals
- ◆ Psycho-Neurologicals
- ◆ Stomatologicals
- ◆ Urologicals

## Our markets
